

REMARKS

In the Office Action mailed February 7, 2008, the Examiner restricted the claims into 3 Inventions. Applicants elect the invention of Group 3 for examination, which reads on claims 6 and 7 and new claims 8-10. Claims 1-5 have been cancelled without prejudice. Claim 6 has been amended to include the elements of claim 1 from which it is previously depended.

In view of the foregoing amendments and remarks, it is respectfully submitted that the claims are now in condition for allowance and eventual issuance. Such action is respectfully requested. Should the Examiner have any further questions or comments which need be addressed in order to obtain allowance, please contact the undersigned attorney at the number listed below.

Respectfully submitted,
